

# Vilnius University

Vilnius, Lithuania

Vilnius University is the oldest and largest Lithuanian higher education institution. Since its establishment in the 16th century, Vilnius University, as integral part of European science and culture has embodied the concept of a classical university and the unity of studies and research.

Vilnius University is an active participant in international scientific and academic activities and boasts many prominent scientists, professors and graduates. Scientific development and the expanding relations with global research centers have contributed to the variety of research and studies at Vilnius University.

Make your study abroad experience a great one, choose Lithuania!

### Studying at Vilnius University is a great choice!

- VU is about the same size of UNO, large enough for new opportunities, and small enough for personal relationships
- The city of Vilnius was recently selected as the European Capital of Culture
- VU has the oldest library in Lithuania
- Because of its location bordering Russia, Lithuanian history and culture has many different influences
- Vilnius is a green city, with over 65% of its area as green space
- VU has 12 colleges, 10 research centers and 8 institutes
- VU takes an active part in the European Union, UNESCO, and NATO programs.
